

3 Things to Put Back This Week

*You don't need a perfect pantry to start a prepared home.
Just pick three things to set aside this week, for later.*

☐

1

A pantry staple

Something shelf-stable you already buy — rice, beans, canned tomatoes, oats. Just grab an extra.

☐

2

Something homegrown or homemade

A jar you canned, a bag of veggies or a meal you added to the freezer, eggs from the coop — set aside instead of using it right away.

☐

3

A household basic

Batteries, matches, a bottle of dish soap, a roll of paper towels — the small things you'd miss most first.

Where will you put each one?

1. _____
2. _____
3. _____

Small and steady beats perfect and stalled.

*"She is not afraid of snow for her household,
for all her household are clothed in scarlet." — Proverbs 31:21*
